

2003 Outstanding Bicycle and Pedestrian Projects

WSDOT, Washington Traffic Safety Commission (WTSC), and the Bicycle Alliance of Washington hosted the 2003 State Bicycle and Pedestrian Conference in Olympia this month. The conference was well attended with about 150 people from cities, counties, law enforcement organizations, advocacy organizations, and other groups from across the state.

On the second day of the conference, Secretary MacDonald and John Moffat, WTSC Director, delivered the keynote speech and presented awards to outstanding bicycle and pedestrian projects. WSDOT awarded five outstanding bicycle and pedestrian projects to:

- Douglas County's Apple Capital Loop Trail Extension
- Bainbridge Island's Non-Motorized Transportation Plan
- Bellevue's Lake Washington Trail
- Mukilteo's Big Gulch Pedestrian and Bicycle Pathway
- Moses Lake's Trail Planning Team
